SUPERINTENDENT'S REPORT

To the School Board of Milton:

It is my privilege to submit to you, and through you to the citizens of the town, my ninth annual report as superintendent of the schools of Milton. It is accompanied by the report of the headmaster of Nute High School and of the school nurse.

The following table contains the usual statistics relating to the public schools.

STATISTICS FOR THE YEAR ENDING JUNE 30, 1927

School	Teacher	Total Number Enrolled	Average Membership	Average Attendance	Per Cent of Attendance	No. of Tardinesses

	Totals and Averages	197	175.07	165.05	94.28	181

If you have compared these statistical tables from year to year, you have noted that the number of pupils

in the town has been growing smaller for several successive years. Our total enrollment shown above is 14 less than for the preceding year. The enrollment for the present year is even less. The census taken last September does not indicate any increase in numbers for next year.

Although the schools have fallen off in numbers, there has been a gain in per cent of attendance and a great improvement in punctuality. Per cent of attendance has increased sixty-two one-hundredths of one per cent, and there are 69 less instances of tardiness.

The following pupils were not absent nor tardy for one or more terms during the year:

ROLL OF HONOR FOR PERFECT ATTENDANCE

One Term: David Burbine, Eva Garland, Hazel Morgan, Richard Willey, Melvin Bailey, Philip Brown, George Burrows, Isabel Hoyt, Ruth Lessard, James Ham, Nelson Keene, Lillian Wiggin, Edward Ellis, John Kimball, Muriel Columbus, Marion Bailey, Marguerite Brown, Thelma Warnecke, Warren Smith, Roland Knight, Clifton Hersom, Fanny Fletcher, Ralph Clement, Clifton Carswell, Paul Gerrish, Arlene Laskey, James Tuttle, Grace Titcomb, Barbara Spencer, Austin Day, Frances Clough, Charlene Page, Gertrude Willey, Burton Walker, Miriam Paschal, Laurence Ramsey, Dorothy Leeman, Marie McKeagney, Robert McKeagney, Ruth Swinerton, George Tibbetts, LeRoy Blanchard, Doris Goodwin, Dorothy Goodwin.

Full Year: Norman Avery, William Warnecke, Margaret Butler, Charles Wilson, Clyde Drew, Edwin Dorr, Ernest Lord, Sylvia Pippin, Marion Day, Marguerite Francq, Marcel Francq, Josephine Hall, Damon Pike, George Wentworth.

GRAMMAR SCHOOL GRADUATES

The following pupils completed the work of the eighth grade last June and were given diplomas: Sidney Cleaves, Henry Perry, Lawrence Swinerton, Robert Tibbetts, Frances Clough, Marion Day, Louise Pike, Edith Tuttle, Eleanor Titcomb, Burton Walker, Chandler Willey, Arthur Chase, Harold Dawson, Ernest Lord, Henry Marcoux, Fred Sanborn, Elmer Stillings, Luther Wyatt, Glendon Reed, Charles Dow, Eugene Dow, Marian Lessard, Madeline Chamberlain, Mabel Sanborn, Mary Wiggin.

TEACHERS

During the years that I have been in your service, the regulations of the State Board of Education governing the employment of teachers have been changed several times, gradually increasing the qualifications required to obtain a license to teach in this state.

Nine years ago, any graduate of an approved high school could obtain a permit to teach by attending one summer session of six weeks at one of our Normal

Schools, and there was a shortage of teachers to fill vacancies. Today no teacher can be employed who has not had at lease two years of training after completing the work of the high school.

The capacity of our Normal Schools has been increased until the number of graduates each year is sufficient to fill all vacancies which occur in the elementary schools.

It has always been our policy to employ the best teachers whom we could find at the salary which we were able to pay. This year we had only two vacancies to fill in the elementary schools. Both were filled with graduates of normal schools who had had previous successful experience in teaching.

HEALTH WORK

Medical inspection in the elementary schools has been continued by Miss Cordelia Davidson, whose report will follow. Considerable dental work was done last spring at the dental clinic. Another clinic this year would be very beneficial, as is shown by the number of cases of defective teeth found by the inspector in September.

Mr. Charles Swain is continuing his work in physical training and is giving us more of his time than in former years. Again I thank the Strafford County Y. M. C. A. for this assistance.

NUTE HIGH SCHOOL

We were fortunate this year in having but one vacancy to fill in the corps of teachers in Nute High School. I am hopeful that some way may be found to increase the income of the school so that we shall be able to retain the services of those teachers whom

we desire to hold over a term of years instead of having a complete turn-over once in two or three years as has been the case for some ten years past.

The average cost per pupil in Nute High School last year was only $81.32. This is the lowest cost in any high school or academy in New Hampshire. Only eleven of these schools had a per pupil cost under $100. In the remainder of the schools the per pupil cost of running the schools ranged from $100.46 to $401.64. This last instance is abnormal, of course, but it is a public school in a country town.

The record in Nute High School demonstrates without argument that the funds have been handled with economy. However, there is a point beyond which economy may not be carried without endangering the success of institution, whether it be an institution of business or of education. I shall be only too glad to go into this matter more fully with the Board of Trustees.

The report of the headmaster, which follows, shows that our enrollment is considerably larger this year than it was one year ago. A large proportion of these additional pupils are tuition pupils.

Respectfully submitted,

FRED. W. DUDLEY,

Superintendent of Schools.

REPORT OF HEADMASTER OF NUTE HIGH SCHOOL

To the Trustees of Nute High School:

It gives me pleasure to present for your consideration my second annual report as headmaster of Nute High School.

The present school year opened September sixth with an enrollment of eighty pupils. We have registered during the year eighty-five different pupils. Our present enrollment is seventy-nine. This is an increase of thirteen over the number reported in my report of last year. There are forty-three boys and thirty-six girls. Following is the enrollment by classes:

Seniors,	22
Juniors	12
Sophomores,	19
Freshmen,	25
Special,	1

Eleven pupils are registered in the college preparatory course, while all others are pursuing the subjects in the general business course. The curricula have been changed in two respects this year, two new courses, Sociology and Modern History, having been introduced.

Twenty pupils have been present at all school sessions during the year. As usual our attendance record is high.

We are continuing the good work in music begun last year, devoting one period per week to musical study. Although we lost valuable members of our orchestra by graduation and transfers to other schools, we are hoping to fill their places in a creditable manner.

Respectfully submitted,

RALPH G. REED,

Headmaster Nute High School.

Milton, N. H., Feb. 1, 1928.
